## COMMUNITY INVITED TO THE 3<sup>rd</sup> ANNUAL BACK-TO-SCHOOL JAM

Chicago, Ill. (July 25, 2008) – Alden Princeton and Alden Wentworth Rehabilitation and Health Care Centers are gearing up for the 3<sup>rd</sup> Annual Back-to-School Jam from 10 a.m. to 2 p.m. Saturday, Aug. 16. The event will take place in the parking lot between the two facilities, which are located at 201 and 255 W. 69<sup>th</sup> St. Backpacks filled with paper, pencils, folders, notebooks and other school supplies will be available while supplies last. The Back-to-School Jam also will feature a variety of activities for kids, including clowns, face painting, games and prizes, free food and more.

The Back-to-School Jam began as a way for employees of Alden Princeton and Alden Wentworth to connect with the needs of their neighbors. Every year for the past two years, kids living in the Englewood community have benefited from the generous donations of employees at the two rehabilitation centers. Nearly 200 backpacks are given to youngsters who live in the neighborhood as part of the facilities' completely voluntary Back-to-School Jam.

“This year’s Back-to-School Jam promises to be even bigger and better than last year’s celebration,” says Marc Villafania, Administrator, Alden Princeton. “We have been busy distributing flyers, visiting local retailers for prize donations and contacting businesses about supporting the event. There will be something for everyone to enjoy!”

Alden Princeton Rehabilitation and Health Care Center is located at  
255 W. 69<sup>th</sup> St. in Chicago.

Alden Wentworth Rehabilitation and Health Care Center is located at 201 W. 69<sup>th</sup>  
St. in Chicago.

*Alden Princeton and Alden Wentworth Rehabilitation and Health Care Centers offer  
programs that address the needs of short-term therapy and rehabilitation patients as well  
as long-term residents.*
