TRICK AND TREAT

Hoffman Estates, Illinois (November 1, 2007) - “Spiderman,” aka Ajay Chandran, 6, of Hoffman Estates, accepts candy from “The Witch” at Halloween Adventure 2007, held at Alden Poplar Creek Rehabilitation and Health Care Center. Ajay was one of about 250 children who visited the rehabilitation and long-term care facility in Hoffman Estates for a haunted house and trick-or-treating.

“This year’s Halloween Adventure turnout exceeded our expectations,” said Sherry Marquart, Administrator. “The children enjoyed the haunted house and the residents loved seeing all of the little ones dressed up for Halloween. Everyone said they can’t wait until next year!”

Alden Poplar Creek Rehabilitation and Health Center is located at 1545 S. Barrington Rd. in Hoffman Estates. For more information, call 847-884-0011 or visit www.thealdennetwork.com.
