## TRICK AND TREAT

**Bloomington, Illinois (November 1, 2007)** - Hundreds of children enjoyed games and goodies at Alden Valley Ridge Rehabilitation and Health Care Center's Halloween Adventure 2007. Activities included a Haunted House, cookies, popcorn, trick-or-treating and more.

"This year's Halloween Adventure exceeded our expectations," said Don Dalicandro, Administrator. "The children brought such joy to our patients and residents, who loved seeing all of the little ones dressed up for Halloween. Everyone said they can't wait until next year!"
