

# What's Your Story?

## BUILDING A VIDEO LEGACY

**Luncheon Presentation**  
Thursday, June 15 • 11 a.m. • FREE

Join us for a delicious and educational Luncheon at the Alden of Waterford campus and learn how to create a video montage of your life!

Wanda Schlafly works with families in a fun way to keep their stories alive using photos and video. Instead of a sweater or bag, consider the gift of your stories! Inspired by her mom and a 98-year-old friend, Wanda decided recording stories was far more important and lots more fun than anything else she could think of doing. Learn about leaving a video legacy and enjoy a scrumptious lunch too! A raffle of 'sample' video legacy products will be held.

Please RSVP with the number in your party  
by June 9th to 630-851-1880 or
